DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 25-30, 32-42, and 44-47 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

Applicants remarks filed 1/8/2010 have been considered persuasive as well as the arguments filed 5/15/2009. Therefore, the previous rejection is withdrawn in view of these remarks, and the claims are considered allowable over the prior art of record.

Further, the prior art of record fails to teach a wireless local area network gateway system and method comprising, an access gateway connected to a server, a session controller, a charging element, a rating element, an interface component, a computing device, the access gateway receiving authentication information for a subscriber associated with the computing device, sending a first message to the mobile handset, if no reply is received denying the computing device access to the server, if a reply is received, then permitting the computing device access to the server, during said access, sending an instruction to the rating element to determine a rate for packets, sending an instruction to the charging element representing charging details associated with the access of the server, the charging details based on the rate, as substantially described in independent claims 1 and 36. These limitations, in combination with the remaining limitations of claims 1 and 36, are not taught nor suggested by the prior art of record. Claims 35-30, 32-35, 37-42, and 44-47 depend from claims 1 and 36 and are therefore allowed for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL T. THIER whose telephone number is (571)272-2832. The examiner can normally be reached on Monday thru Friday 7:30-4:30.
